

# INTRODUCTION TO CRYSTAL GRIDS

*A non-credit class offered through the HGSA Education program*

***Learn the basics of creating crystal grids for healing, prosperity, protection, love, and much more!***

**This interactive class will cover:**

- Creating simple grids
- Setting your intention
- Selecting and placing crystals to support your intention
- Activating your grid
- Working with sacred geometry and grid templates

*Some crystals will be available to work with in class, but please bring your favorites!  
You will need several stones of the same type and size, and one to use in the center.*
