

Physical Phenomenon

Facilitator: Rev. Felice Izzarelli

Beginning Wednesday, May 10th from 7 PM to 9 PM
\$20 per class

This is an ongoing class held in the Séance Room at
Harmony Grove Spiritualist Association
2975 Washington Circle, Escondido, CA 92029

My grandparents were spiritualist and spiritual teachers who did this work for 80 years. They passed away at the age of 94 and 96 and they are continuing to work with me from spirit. I have been very fortunate because my grandparents taught me the old ways that have been long forgotten, and at the same time taught me how to combine the old teachings and the new.

Today, when I teach physical phenomena, I am teaching a history class. The reason for this is, currently a lot of people do not have these teachings, and I would like to pass them on to students stepping into this work.

Included in this course:

1. The laws and ethics that govern Physical Phenomena
2. Table Tipping
3. Transfiguration
4. Channeling
5. Trumpets
6. Skotographs
7. Direct Voice
8. Independent Voice
9. How to set up and prepare for a circle, or dark circle
